

The 10+ System

Here is a simple system for Australian racing but really can be used anywhere. It is for handicaps. The rules are self-explanatory.

Rules

- 1 Handicaps only. No bets on set weight races, jumps, maidens, and two year old races.
- 2 Note those horses in handicaps with saddle cloth numbers 10+
- 3 Eliminate any horse that last raced more than fourteen days ago
- 4 Eliminate any horse that did not finish within three lengths of the winner last time out
- 5 Eliminate any horse that does not carry at least 3kg less than at it's previous race

Horses which qualify for Saturday 4 February 2023 are:
